

Congratulations

**You've established yourself as a leader
in the healthcare revolution.**

As a member of the
Business Health Care Group (BHCG),
you've engaged yourself and your
employees in a long-term strategy
to change the way healthcare is
used, managed, and delivered.

CONGRATULATIONS!

As a member of the Business Health Care Group (BHCG), you've engaged yourself and your employees in a long-term strategy to change the way healthcare is used, managed, and delivered.

We invite you to find out more about the BHCG, our strategy, and our partnership with Humana. Come discover where we've been and where we're going.

Our program is geared specifically to you, our BHCG employers. We'll show you updates on our strategy, results, and successes from 2006, and talk about a new program with Humana to bring stability to your health insurance premiums. In addition, we will be personally inviting your broker to attend this breakfast.

We applaud your support of the BHCG. In an effort to continue to grow our membership and to assist us in reaching our goals, we ask that each of you bring a guest along to hear our story. We look forward to seeing you there!
